St. Louis was elected Dec 2nd 1864. he has
frequently been acting as an officer for up wards of
months. It appears from his own avowal that
during that period he has failed to acquire the knowledge
of tactics, army regulations and other duties of an
officer & qualify him for an officer.

Officers usually elected are informed by the
Board of Examiners that their examination is less
thorough than that of officers older in service.
An officer who having served for a considerable
time as an enlisted man, and afterwards for
months as an officer, has not acquired the
knowledge necessary to pass the Board of Examiners,
it is better that he should never qualify
than remain permanently unfit, in consequence
of being discharged.

The Board respectfully recommends that
the resignation of St. Louis be accepted that he
may go duty in the ranks.

Sir

Your favor of 28 Feb'y last is to hand & much
kindly noted, in reply, would say that at
present it is impossible to make any correction
in my return (as an Adjutant General) (Adjutant
General) Texas as my papers are in
a different part of the State, from what I
was relieved from duty & ordered to return my command
without any transportation whatever, I left all my
papers in the hands of Capt. Kilpin who returned
when the enemy captured the place, most of my papers
were lost, Only the most important ones were saved
I think however I can make out sufficient papers to
show the Department all was done correctly, my return
will show a large gain, when I return, for a time at least
Chas. I was young & inexperienced at the time of my
return just as I got to Sanders house near Papineau
made out, I doubt, made out some incorrect and
put some false. I regret much that I have not the papers
of my command, to make out duplicates at once, I will
however in due time, show that I am of the enormous frauds

Indorsement on roll shows: "The prisoners whose names are

for the privilege of taking the oath. I have examined these men
and the remarks placed opposite their names are the same as
given by the men. Neither of these prisoners have any special
claim for the privilege of taking the oath and I am inclined to
believe that many of them are governed by the last influence
brought to bear on them. & many would if placed inside the rebel
lines, make good rebels."

Sir:

I have the honor
to make application through you to the Brig. Genl.
commanding, for a leave of absence of sixty days
with my family in Guadalupe County Texas (about
about 350 miles) to enable me to provide for their needs
and to arrange my business matters in
satisfactory manner to their future comfort.
I entered the U.S. service in March '61 and have never
been absent on detached service, or absent without leave
at this time.

I received a leave of absence from Corpus
Christi for 25 days in Sept '61. Eleven days of which time was
consumed in passing to and from home - also from
home in March '63 for 15 days, 9 days of which was consumed
in going to and from home - and one from Galveston Texas
in March '64 for 30 days, 10 days of which time was also
consumed in going to and from home.

It will be seen from the above that I have only had 40
days at home with my family for now nearly three years
and that not long enough at any one time to attend to
business which has been necessary.

Their are three officers present for duty in my
company and the fourth one will be there on the 5th ulto.

I am Colm Very Respectfully
Yours
W. C. Jones, Capt. C. K.
